5. Sam Wrisley - Harvest Christian Fellowship 1010 E. Centennial Avenue (Encroachment on Public Right-of-Way): Sam Wrisley, Minister at Harvest Christian Fellowship came forward to request approval to install new monument sign where the old church sign was in front of 1010 E. Centennial Avenue. New monument sign is height 7’ width 10’ and 11 feet from Centennial Avenue. The inspector for the Building Commissioner’s Office suggested that we fill out paperwork to encroach on Public Right-of-Way with our sign. Duke Campbell came forward and reported that he has no problem as long as they adhere to new city code. We no longer allow for pole signs anymore. Date of Issuance: 1/13/16 Date of Expiration: 1/13/2020 for 1010 E. Centennial. The City Reserve the right to terminate the Permit at any time and order the removal of the encroachment in the event the maintenance and repair conditions are not satisfied or if a public need for the use of the improved area exists. Roger Overbey moved to approve the permit to encroach for Sam Wrisley/Harvest Christian Fellowship as presented. John Quirk provided the second. Motion passed by voice vote.

6. Duke Campbell, Superintendent Public Works Department presenting traffic changes around Ball State University: Duke Campbell came forward with request from James Lowe, Ball State University 1) we would like to request consideration for the installation of stop signs at the intersection of the Arena Drive/Architecture Drive and Neely Avenue. This would essentially create a 4-way stop intersection. It is our observation that the high volume of vehicular traffic combined with the high volume of pedestrian traffic results in a high probably of an accident. 2) We would like to request consideration for a change in speed limit from 30 mph to 20 mph on many of the City streets that cross campus. More specifically they include:
   - McKinley Avenue from Bethel Ave. to Gilbert St.
   - Neely/Petty from the cow path to New York Ave.
   - Riverside Ave. from Meadow Ln. to New York Ave.
   - University Ave. from IUMMH to McKinley Ave. (near IUBMH and Burris)
Duke commented that these are good suggestions; there is more foot traffic than any other street. Roger Overbey moved to approve traffic changes as requested and recommended by Duke Campbell. John Quirk provided the second. Motion passed by voice vote.

7. Change Orders for Paving Project 2015-2016: Duke Campbell, Superintendent Department of Public Works presented change orders:
