Indiana Gateway for Government Units is the collection platform for local units of government to submit required data to the State of Indiana, as well as a public access tool for citizens. It represents a unique partnership between the State of Indiana and the [Indiana Business Research Center](#) at IU's Kelley School of Business, with initial support from the Lilly Endowment and sustainable support from the State of Indiana.

Participating state agencies currently include the [Department of Local Government Finance](#), the [State Board of Accounts](#), the [Indiana Education Employment Relations Board](#) and the [Indiana Gaming Commission](#).
